SCREENEZE®

Bringing Indoor Living to The Great Outdoors™

SCREENEZE® is a patented fixed screen system and made in the USA. (U.S. Patent No. 6,378,267)

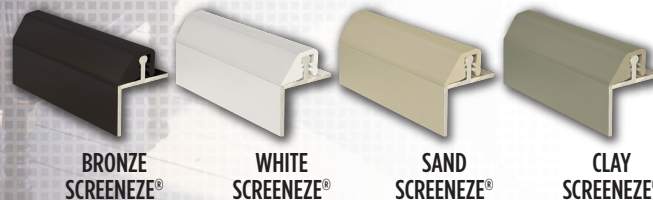

SCREENEZE® features an aluminum base and a vinyl cap which are snapped together and attached to your screen porch.

SCREENEZE® can be installed on the inside, outside, or center of your porch post and rail design.

SCREENEZE® Benefits:

- It works!
- No staples
- No splines
- Reduces callbacks
- 10 year limited warranty
- Can span up to 150 square foot panels
- System stretches and secures screen for you
- Easy to replace damaged screen
- Screws included
- Installs using a variety of screen fabrics

SCREENEZE® is available in Bronze, White, Sand and Clay, and comes in 8' and 12' lengths.

SCREENEZE® Durability By Design

The Innovative SCREENEZE® design is stronger and more durable than current screen systems.

The SCREENEZE® system maintains the screens integrity.

67 pound bucket placed on the screen panel for 21 days...then removed

72 hours later the screen is restored with no adjustments or repairs required
